MEMORANDUM FOR: Chief, Intelligence Information Staff, OHR
THROUGH: Chief, Administrative Staff, OHR
THROUGH: Chief, Economic Research, OHR
THROUGH: Chief, Industrial Division, OHR
FROM: Chief, Manufacturing Sectors Branch, D/I
SUBJECT: Request for Approval of Consumer Industry Plant Trips

1. It is requested that approval be granted for selected I/MS personnel to make the plant trips listed below.

2. During the past year I/MS has had an increasing number of requests for evaluations of the status of the consumer industries of the Sino-Soviet Bloc. While the responsible analysts have acquired a basic understanding of the major consumer industries, the variety of industrial operations found in these industries is broad and the need for additional training and orientation is apparent. Prior to taking any of the proposed trips, branch analysts will view related industrial films which are being assembled by Graphics Register.
